“Summer Of Cinema” Schedule!!!!

compiled by Kirk Irwin

Alright movie fans here is the official movie schedule laying out what movies we will discuss on what weeks. This means you’ll have to have watched the movies BEFORE the Wednesday it is listed under.

:

May 25th: Groundhog Day (Susan)

June 1st: The Good Girl (Kirk)

June 8th: Faraway, So Close (Summer)

June 15th: “3rd Wednesday” – No content, bring your friends and work

June 22nd: Napoleon Dynamite (Mako/Ty/CJ)

June 29th: Unforgiven (Alan)

July 6th: The Thin Red Line (Kirk)

July 13th: Amelie (Holly)

July 20th: “3rd Wednesday” - No content, bring your friends and work

July 27th: Galaxy Quest (Mako)

August 3rd: Fight Club (Gretchen)

August 10th: George Washington (Jeff)

August 17th: “3rd Wednesday” - No content, bring your friends and work

August 24th: The Mission (Faith)

The names listed by the movies are those who suggested the movie. This also means that the person will also assist in creating the content for discussion that week. So, for example on August 3rd we are discussing “Fight Club” and Gretchen is listed by the movie...so Gretchen will at the very least assist in coming up with the discussion content. This ALSO means any of those people listed can look and ask for assistance from you. I (Kirk) will be available to help from May 25th to July 13th and August 24th but I will be out of town from July 20th and August 10th. I am looking for someone to be the point person in assisting with the discussions during that time I am out of town. So I’ll let you all know once I’ve found that person. If for whatever reason you are out of town that week, that’s okay, just please help me with the content via phone, email, or carrier pigeon.

There will also be three dates we will have for a “Movie Night” in the course of the summer. They will be in Friday June 17th, Friday July 15th and August 19th. These will be at the site of the offices of Priority Associates on East 44th Street. Exact start time will be announced but count on them happening in the evening between 6PM and Midnight. I’ll let you know when these are firmed up.
